

COURTNEY CAPITAL

Private Wealth

Invitation

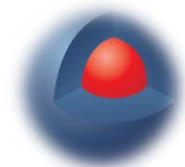

Courtney Capital Private Wealth recognises the need that clients have to interact with their broker. Consequently we would like to invite you to another one of our lunchtime meetings. We will have an informal introduction to one of our trading platforms, specifically showing how to enter Buy & Sell orders; as well as how to load **stop loss** levels & **profit targets** in advance. This can be used by both long-term investors and short-term traders.
