

**Courtney Capital Private Wealth** recognises the need that clients have to interact with their broker. And we would like to show you the new offices. We have also asked Garth Mackenzie to join us for this event.

**Garth Mackenzie** launched a managed futures fund for **BoE** in 2008. This fund grew by 40% during 2008 - a time when global stock markets saw their sharpest declines in modern history. Today Garth trades his own capital for a living. He is the founder and editor of **Summit TV's** program, **TradersCorner** | [www.traderscorner.co.za](http://www.traderscorner.co.za). He also writes a monthly column in the **Investors Monthly** Magazine.
